

# Love The Way You Lie

## Eminem

Chorus - Rihanna:] **Lyrics PG**

*Just gonna stand there and watch me burn*  
*But that's alright because I like the way it hurts*  
*Just gonna stand there and hear me cry*  
*But that's alright because I love the way you lie*  
*I love the way you lie*

Eminem

*I can't tell you what it really is*  
*I can only tell you what it feels like*  
*And right now it's a steel knife in my windpipe*  
*I can't breathe but I still fight while I can fight*  
*As long as the wrong feels right it's like I'm in flight*  
*High off of love, drunk from my hate,*  
*It's like I'm huffing paint and I love it the more I suffer, I suffocate*  
*And right before I'm about to drown, she resuscitates me*  
*She fucking hates me and I love it.*  
*Wait! Where you going?*  
*"I'm leaving you"*  
*No you ain't. Come back we're running right back.*  
*Here we go again*

*It's so insane cause when it's going good, it's going great*  
*I'm Superman with the wind at his back, she's Lois Lane*

But when it's bad it's awful, I feel so ashamed I snapped <sup>C</sup>  
 Who's that dude? I don't even know his name <sup>G</sup>  
 I laid hands on her, I'll never stoop so low again <sup>D</sup>  
 I guess I don't know my own strength

**Chorus - Rihanna:**

Just gonna stand there and watch me burn <sup>Em C</sup>  
 But that's alright because I like the way it hurts <sup>G D</sup>  
 Just gonna stand there and hear me cry <sup>Em C</sup>  
 But that's alright because I love the way you lie <sup>G D</sup>  
 I love the way you lie  
 I love the way you lie

**Eminem**

You ever love somebody so much you can barely breathe <sup>Em</sup>  
 When you're with 'em  
 You meet and neither one of you even know what hit 'em <sup>C</sup>  
 Got that warm fuzzy feeling <sup>G</sup>  
 Yeah, them chills you used to get 'em  
 Now you're getting fucking sick of looking at 'em <sup>D</sup>  
 You swore you'd never hit 'em; never do nothing to hurt 'em <sup>Em</sup>  
 Now you're in each other's face spewing venom in your words when you spit them <sup>C</sup>  
 You push, pull each other's hair, scratch, claw, hit 'em <sup>G</sup>  
 Throw 'em down, pin 'em <sup>D</sup>

So lost in the moments when you're in them  
It's the rage that's the culprit controls you both  
So they say you're best to go your separate ways  
Guess if they don't know you 'cause today that was yesterday  
Yesterday is over, it's a different day  
Sound like broken records playing over but you promised her  
Next time you show restraint  
You don't get another chance  
Life is no Nintendo game  
But you lied again  
Now you get to watch her leave out the window  
Guess that's why they call it window pane

Chorus - Rihanna:

Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie

Eminem

Now I know we said things, did things that we didn't mean  
And we fall back into the same patterns, same routine  
But your temper's just as bad as mine is  
You're the same as me  
But when it comes to love you're just as blinded  
Baby, please come back  
It wasn't you, baby it was me

*Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens when a tornado meets a volcano  
All I know is I love you too much to walk away though  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk  
I told you this is my fault  
Look me in the eyeball  
Next time I'm pissed, I'll aim my fist at the drywall  
Next time. There won't be no next time  
I apologize even though I know its lies  
I'm tired of the games I just want her back  
I know I'm a liar  
If she ever tries to fucking leave again  
Im'a tie her to the bed and set this house on fire  
I'm just gonna*

**Chorus - Rihanna:**

*Just gonna stand there and watch me burn  
But that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie*
