
'Cause honey your soul could never grow old, it's evergreen
And baby your smile's forever in my mind and memory
I'm thinking 'bout how

people fall in love in mysterious ways
Maybe just the touch of a hand
Oh me I fall in love with you every single day
And I just wanna tell you I am

So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are

D D/F# G A

D D/F# G A

D D/F# G A

D D/F# G A

So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
That maybe we found love right where we are
That maybe we found love right where we are
That maybe we found love right where we are
